Privacy Policy

Welcome to AI Art. Our Privacy Policy explains how we collect, use, disclose, and protect information that applies to our visual communication platform (the "Service"), and your choices about the collection and use of your information. If you do not want your information processed in accordance with this Privacy Policy in general or any part of it, you should not use our Service. This policy applies to all users of the Service, including, but not limited to users of our Developer Portal.

1. Information we collect

We collect the following types of information about you:

(a) Information we collect

We collect analytics data to help us measure traffic and usage trends for the Service. We also collect the support data you send to us during support process. We use this information to operate, maintain, and provide the features and functionality of the Service to you, to correspond with you, and to address any issues you raise about the Service.

(c) Feedback and correspondence

You may share information with us when you respond to surveys, request customer support or otherwise interact with us.

2. How we use your information

We use the information we collect for various purposes, such as:

- Providing you with the Service.
- Data analytics and predictive analysis to improve our Service.
- Promoting and driving engagement with the AI Art Service.
- Improving the Service based on user engagement.

- Ensuring customer happiness by resolving issues.

- For security measures.

- Troubleshooting and improving the Service based on errors and user experience.

3. Use of your information

We will only use collected data in ways that are compatible with the purposes listed below for which it was collected.

(a) Make our Service Available

We use information that you submit and information that is processed automatically to provide you with all requested services. We may also communicate with you in response to your support requests, questions or feedback.

(b) Improve our App

We use information that is processed automatically to better understand user behavior and trends, detect potential outages and technical issues, to operate, protect, Improving and customizing the application and developing new features.

4. Transfer and Protect your data

We transfer your data securely and in line with applicable laws. AI Art uses safeguards to protect your information. We are not responsible for third-party websites or services linked to or from our Service.

5. How to contact us
